

FBLA Competitive Events Changes 2018-2019

- Digital Video Production (**Modified**)—Reduce length of video to two minutes. This will give competitors time to show the entire video during the presentation.
- Political Science (**NEW**)—Individual objective test.
- *Event topics change every year.*
- *Skill events will not be included in competitive events offered in South Carolina. (Computer Applications, Database Design and Applications, Spreadsheet Applications, Word Processing)*

Middle Level Competitive Events Changes 2018-2019

National

- Business Etiquette (**NEW**)—Individual objective test.
- Critical Thinking (**NEW**)—Individual or Team performance.
- Digital Citizenship (**NEW**)—Individual objective test.
- *Event topics change every year.*
- *South Carolina will allow two (2) students from each chapter to compete in national events. Be aware that only the first-place winner will be eligible to compete at the national conference.*

South Carolina Only

The events listed below are not part of the National Competitive Events. They were created to provide additional students the opportunity to compete. Students in these events will only compete at the District and State levels. Descriptions for new events may be found on the State website under the **More** tab. (See event grid for additional South Carolina Only events.)

- *Skill events will not be included in competitive events offered in South Carolina.*
- Google Basics (**NEW**)—Individual objective test.
- Future Leader (**NEW**)—Individual objective test.
- General Business (**NEW**)—Individual objective test.
- Global Topics (**NEW**)—Individual objective test.
- Personal Budgeting (**NEW**)—Individual objective test.
